

MA-CLI-BO March 2011 Newsletter

The meeting was attended by 23 members our president Chris Straub along with the officers and board brought up the costume care problems. The quoted cost to have them clean at the cleaners was \$10 per washing per costume. Many other suggestions from the members were discussed and then tabled for now. We had 7 winners on the calendars we sold last month.

Ten members attended the Moolah circus kick off parade on March 5th. At this we presented 3 checks to the Potentate Larry Carril. \$2000. For the transportation fund, \$1000; for the temples elevator fund (building maintenance) and \$1000 for the temples 100yr. anniversary celebration.

At our meeting we voted in favor of having the Silver Lake Club have their meeting on the same night and location as our monthly meeting. They will be sharing our meal with us. Other news is Ed Doll will be our Sergeant at arms and will be checking dues cards at the meetings and events.

We are looking for our trophy case, if you know of its whereabouts let us know. Ned Klaus has the bunny sales set up for every weekend in April up to Easter. We will need a lot of participation to make this successful. Give Ned a call if you can help 618-402-4129.

Carl Hall spoke of the St.Louis's hospital decision to put the new construction on hold indefinitely and that there will be renovations and upgrades done to the existing hospital. The hospital is in need of a new monitoring machine and all but \$3680 was collected from other units and clubs. We voted in favor of presenting Carl with a check for that amount.

Our next meeting will be March 21st at the K-C Hall. Bring your dues cards.
