

May 2011 newsletter

The owner of TD Halbrook roofing came to the meeting with a presentation to repair the motor home roof leak. After much discussion, we voted to hire this company to recoat the roof on the motor home and trailer. Also included in this price was resealing the windows.

Other business:

We agreed to make a good showing at the circus in Belleville this year. So, if you can, get on the list to go to the circus and greet the patrons. We will be in costume and taking pictures with the kids.

A reminder, we are trying to get a good number of members to attend the Imperial Convention in Denver this year on 4th of July weekend.

Our annual bunny sales report will be at the next meeting and Ned Klaus will give us a thorough report.

The next newsletter will have the parade schedule for this coming summer. This schedule will also be on our website www.ainadshriners.org/ma-cli-bo/

Upcoming events:

May 30th Greenville will have an IL chip at the Bond Co. Health Dept Bldg.

We lost a good member last month; Mark Schrage lost his long battle with cancer. He will be missed greatly. In his last days, he collected \$171.40 in the bunny sales fundraiser from his bed. What a Shriner! There was a Masonic ceremony at his visitation that was attended by 21 members and the motor home was in the funeral procession. His dues card was placed in his casket.
