

September 2011 newsletter:

19 members attended the 9/19/11 meeting. Kevin Fernandez, his wife Kimberly, and his father attended our meal, which was pre-paired by Kevin. It was delicious. Thank you and please do it again sometime. Kevin is the First Ceremonial Master at the Temple.

We had more discussion on the possible purchase of a van for the Road Runners with no decision on an action. Our fishing team had little luck in the Shriners bass tour. They were only able to catch one fish that qualified to be weighed in. Thanks for trying guys. I understand the weather was wet and cool. It was a good experience for the High school student, Evan Wells.

Anne Wieter sent us a letter that is very touching.

Hello this is Annie Wieter from Aviston. My uncle was a shriner and that meant a lot to him. His name was Mark Schrage. He died in April. My birthday is in August and what I wanted was money so I could donate it to all of the kids that are sick. So here is some money for you guys to donate to the hospital . Thanks again☺
